Moving in

Please ensure that everything is in order as soon as you arrive. You will find an inventory list in your room. Any missing or broken items must be reported to the help desk **within two weeks of your arrival**. If you fail to report it, you may be held responsible when you move out. The inspectors will handle repairs and bring you any missing items as soon as possible.

Housing rules

The purpose of the housing rules is to ensure a safe, pleasant, clean and quiet environment for all residents and neighbours in the area.

Payments

- Residents must pay rent on time. International transfers may take several days. Please ensure that the administrator, Newsec, receives the payment according to the contract.
- Please remember that you are responsible for paying rent for the entire rental period even if you choose to leave before the expiration of your contract or if you do not move into your room during the rental period.

Your responsibilities

- You are responsible for cleaning and maintaining your room. If you do not meet these guidelines, you may be charged with costs related to repair, cleaning etc.
- You are responsible for immediately reporting any issues or damages to the help desk. This may include water dripping from the ceiling of your room, clogged drains or water seeping from your toilet.

Keys and locks

You have received three tags. The white key tag is an electronic key for your room, mailbox and other relevant doors in the residence. The yellow tag is a spare key for your room only. The third tag is for laundry payments.

Your key tag works like a traditional key. When you touch the lock from the outside with the key tag, the lock will open for a moment and you may enter. You can open your mailbox by touching the key tag to the reader on the wall next to the mailboxes.

You can always open the door from the inside without a key tag.

Leaving your room

Always remember to bring the white key tag with you when leaving your room – even when only using the bathroom or kitchen. Remember that the door locks behind you and is locked from the outside at all times. We suggest depositing your yellow spare key with a trusted person in case you lock yourself out.

Updating your key tag

When you enter the building, please wait for the green and blue lights on the key tag reader to make sure that your key is updated. Please ensure that your keys are updated on a regular basis.

Please note that the inspector may not be able to assist you immediately but will be at the residence as soon as possible. The inspectors are not allowed to unlock the door if you are not present.

If you lock yourself out or lose your key tag outside office hours, you can contact the locksmith, De Blå Låsesmede, at **+45 7026 2266**.
